Executive Council Candidate 2017

London & Eastern

Michael Beardsley

Michael Beardsley

I am seeking your vote for the 2017 EC election, London & Eastern Region.

I was born and raised in Ilkeston, a working class town in Derbyshire and have been a trade union member for 26 years, since the day I started work. I have mainly worked in aviation, the majority of which has been with Rolls-Royce but I have also worked at various UK airports on light aircraft as well as a period of time in the building trade, all of which have been at shop floor level.

I have been the senior workplace representative at my place of work, Rolls-Royce London Heathrow, since 2007 when I gained trade union recognition for the site. This was seen as an excellent achievement for a new site by the rest of the Rolls-Royce TU bargaining groups especially as the manpower levels were relatively small at that time. Since then I have represented the membership based at our site in Heathrow as well as our team of field service mechanics who work globally. Our business moved to a new purpose built site in April 2013 where I successfully negotiated better rates of pay for all represented works and staff employees including increased basic pay, shift premium and for the first time within Rolls-Royce, a London Weighting Allowance for our membership.

I have had many other successes as a rep, I base these successes on listening to people and the ability to communicate with all levels. I believe our trade union is all about its membership and if elected would work tirelessly for them and my region to ensure all members feel they are listened to.

Our Union needs real change now rather than empty promises. Please help us make the change by voting for all independent Unite Alliance candidates.
