Executive Council Candidate 2017

NEYH REGION

Gary Andrews

Gary Andrews

Dear Colleagues

I have been a PROUD Trade Union Member for the last 27 years. I'm currently the full time works convenor for Rolls-Royce in the North East. At present I sit on the Rolls-Royce Executive Council for works and I'm also the Diversity and Inclusion Rep for works, I'm also strong believer in Ethics.

I have been asked by a number of senior workplace reps to stand for election and feel proud and honoured to do so. In my time as a Rep I have built up a good reputation of working on behalf and in the best interests of my members and if elected will do so for the members of our Region. I can assure you all I will not be afraid to question the General Secretary, EC Council or any Senior Officers of matters of concern or importance to all members. I also strongly believe that all elected council members should be independently minded with integrity and the will to make sure that the council is ran fairly and on a sound footing. I know that if elected there will be a lot of challenges ahead of me I can assure you I will face them head on and represent our members to the best of my ability.

The Executive Council and Union need to have a strong correct framework, a framework that offers advice and support to Reps and for those Reps who need advice and support we need to make sure it's the right advice and support. Anyone that doesn't want to help that person isn't the right person for OUR UNION.

As a strong union rep I will do my best in campaigning for all unite members in the region.
