**Executive Council Candidate 2017**

**GEMS Sector**

## Howard Turner

Dear Colleagues

I ask for your support to give me the privilege to continue representing you on the Executive Council. I have been asked to stand for election by leading GEMS activists with the full endorsement of the National Industrial Sector Committee.

Elected to the Executive Council in 2003 I believe I have the relevant experience to continue to serve our Sector on the Council. I have worked in the manufacturing industry for 43 years and held union positions at every level within the Unions structures. I remain working on the tools which enables me to understand and appreciate issues that affect our Members.

Both industrially and Politically, Unite faces difficult challenges ahead. I believe I am well placed to ensure that the GEMS Sector retains a strong voice on the Executive Council. Manufacturing needs Investment and should be Top of the Political agenda with a Minister for Manufacturing prepared to work with Unite to develop an Industrial Strategy which focuses on secure employment, decent terms & conditions, high level H&S standards, and quality Apprenticeships to ensure the skills in the industry are preserved for future generations.

The Sector is entitled to 2 seats on the Executive Council and I would like to ask you to also support my colleague Paul Welsh. I have the upmost respect for the work Paul does both inside and outside of the Executive Council. Please Vote for Howard Turner and Paul Welsh to give us the opportunity to continue to represent your best interests with honesty and integrity.

Thank You

Howard Turner.
