Kerry Owens

I am an aircraft Engineer (Shop Floor), Deputy convenor and Branch official at GE Aviation in Cardiff where we overhaul and repair Aircraft engines. I have been a member of Unite for over 25 years. I am member of the A&S National Industrial Sector committee, subcommittee and the Vice Chair of the A&S Regional Industrial Sector committee.

The Wales Region continues to face many serious challenges with pensions, closures, job losses, the challenges of BREXIT and issues faced by many iconic companies such as Ford in Bridgend, TATA Steel Port Talbot and our NHS. As a member of UNITE I strongly believe that honesty and integrity should be at the forefront of a strong union in serving its members.

I firmly believe a Welsh region EC member should live and work in Wales and represent workers views passionately and enthusiastically. Also, EC members have an obligation to scrutinise and question both the political & industrial strategies and the decisions of senior officers of the union to ensure that member's views remain paramount.

As your Wales EC representative I will:

- Put our region members first.
- Communicate with you regularly
- Ask for your opinions before major union decisions are taken or policies agreed by the EC.
- Canvass for a strong industrial strategy for our region.
- Ensure that regional Agreements are protected or re-established
- Continue to work towards improving workers rights for all members.
- Ensure that workers in Wales have a strong voice during BREXIT
- Pledge that the union remains accountable to its paying members continuously.

As members in Wales you deserve a strong EC member who protect and promote your views and opinions. Help me support your influence by voting for me as your Wales EC Member.

Thank you
Kerry Owens
