Executive Council Candidate 2017

South West

Mark Thomas

I have been a trade union activist all of my working life and was the Unite Convenor at GKN Aerospace for over 14yrs until the end of March 2017 when I will change jobs.

As a Unite branch officer, I have the same commitment to our union and region as I always have had and as I come to the end of my second term as your Executive Council representative it would be a huge honour to serve our Region again for the next term of office.

If elected I will continue to hold to account Unite senior officers and staff and represent the interests of all member in the South West regardless of which Sector they are in, I will;

- Put our Regional members first.
- Communicate with you regularly
- Ask for your opinions before major union decisions are taken or policies are agreed by the Executive Council.
- Campaign for a strong industrial strategy to support all sectors.
- Ensure that our Region has a strong voice during BREXIT
- Ensure the union remains accountable to its paying members at all times.

As a member of this union who pays your hard earned money week in week out to the union you deserve a strong EC member who protect your money and represent your views and opinions.

I believe that I have represented the South West during my previous two terms on the Unite Executive to the best of my ability, however we all have plenty more to do in what is increasingly more difficult times, I therefore respectfully ask for your continued support to continue with what I see as unfinished business, could you please also consider supporting Caroline Baikie (SW8171 - 32574848) for the South West Region seat.
