Executive Council Candidate 2017

South East

Mark Wood

- Executive Council member representing the South East since 2008 and re-elected in 2011 and 2014
- 38 years member of Unite (including predecessor unions)
- 35 years representing workers at all levels
- 28 years Convenor and Branch Secretary to Southampton City Council
- EC Disputes sub-committee member since 2011
- South East Local Authorities Regional Industrial Committee Chair and National Industrial Committee delegate
- National and local campaigner.

As a current member of our Executive Council, I have always worked in the best interests of members throughout the South East Region and I would be honoured to receive your vote and to serve you once again.

If re-elected for the forthcoming Executive period, I will continue to communicate effectively with branch activists and maintain a principle of member-led democracy, with equalities at the heart of everything we do.

Whilst recent times have been uncertain, I am proud to have played my part in creating a union that supports its members in dispute, is bringing about political change and has strategies to grow and win in the workplace that are the envy of our movement.

With the prospect of Britain leaving the EU, there is much anxiety in all industrial sectors as to what that might actually mean. Above all we must at every opportunity fight to protect jobs and workers' rights.

Never has it been more essential to have an Executive Council that is up to the challenge and I have a proven record that will ensure a strong and effective contribution.

My knowledge and experience of organising workers will place me in good stead to help deliver on behalf of all members.

Re-elect Mark Wood and please also support Joyce Still and National Candidates - Iain Croker, Alex Dewinter and Alexandra Haworth
