Executive Council Candidate 2017

Passenger Transport

Mohamed Aslam Malik

Mohamed Aslam Malik

As one of many working bus drivers in this country, I would consider it a huge honour to serve our membership and I believe I have gained the necessary skills, knowledge and experience to deliver real and tangible changes.

As a member of the national passenger, political and BAEM committees, I have a proven record of working on behalf of all our members in our industry. Our industry continues to face many challenges including new technologies, challenges of BREXIT, wage erosion, workplace stress and we need a strong Executive Council member to take on these challenges.

As your Executive Council representative I will:

- Represent you not me at the Executive Council.
- Communicate with you regularly (not just during EC elections when I want your vote).
- Canvass for your opinions before major union decisions are taken or policies are agreed by the Executive Council.
- Oppose the continuous yearly increases in membership fees.
- Campaign for a strong industrial/organising strategy for our sector.
- Campaign for better workers rights.

We need an effective executive member that is active with workplaces, with representatives and branches that has the integrity to put our members' interest first, while upholding trade union values. As a member of this union you deserve someone that will represent you on the EC.

Our sector and union needs real change now rather than the empty promises of the past. Please help me make the change by voting for me.

Passenger Transport sector has two seats on the Executive Council of which one seat has to be a Black Asian Ethnic Minority representative. Please give me your vote for the BAEM seat and help me support our industry.
