Executive Council Candidate 2017

Automotive Industries

Peter Tsouvallaris

Peter Tsouvallaris

I've been a proud trade Union shop floor member for 35 years and a representative at various levels for 16 years.

I'm currently the full time convener at the Toyota manufacturing plant in Derby and the Engine plant in Wales.

I Chair the East Midlands Automotive committee and was elected to the Automotive National committee.

I'm a Lay member for the Employment Tribunal Services and a Governor / Trustee for a specialist college in the West Midlands for young adults with severe learning difficulties.

Our sector is facing the biggest challenge in a generation. Brexit cannot be used as a tool to undermine our member's pay, along with our terms & conditions. We are a trade Union first & foremost. Our first, second and third priority should always be to our fee paying members and work place representatives. Decisions that are made by the executive should be made for the benefit of the membership and our Union, regardless of the political background.

As your EC representative I will:

- Put our sector members first.
- Campaign for a strong industrial strategy and ensure its implementation.
- Continue to work towards improving terms & conditions and workers' rights.
- Ensure that Unite provides world class training for our Union representatives
- Communicate with you regularly (not just during elections)
- Ensure the union remains accountable to its paying members.

Our Union is in danger of being disconnected from our membership. We need a strong experienced voice on the executive who will not be afraid to support or challenge our Union on the issues that really matter to our members.

Our sector needs real change now rather than the empty promises of the past. Please help me make the change by voting for me and all independent Unite Alliance candidates.

Thank you
