Executive Council Candidate

GPM & IT Sector

VOTE 4

Raffiq Moosa

I'm the senior FOC/REP at MPS one of the biggest printing companies in the world.

The GPM&IT Sector continues to face major challenges with closures, job losses, uncertainty of BREXIT and reduction in officers.

As a member of UNITE I firmly believe in a strong union which represents ordinary hard working members at work.

Executive Council members have a duty to scrutinise and question the strategy and decisions of senior officers of the union to ensure that members always come first. However in recent years the union has become isolated from our reps and members in the workplace and this has to change.

As your Executive Council representative I will:

- Represent you not me at the Executive Council.
- Communicate with you regularly (not just during EC elections when I want your vote).
- Canvass for your opinions before major union decisions are taken or policies are agreed by the Executive Council.
- Oppose the continuous yearly increases in membership fees.
- Truly report how the union spends your money and oppose spending decisions that are not in the interests of all our members ensuring the union puts members first ahead of any politics
- Campaign for a strong industrial/organising strategy for our sector.
- Support a transparent system of senior sector/regional lay committees electing or appointing all new officers replacing the current system of appointments by a small chosen group from the Executive Council.
- Campaign for better workers rights.

As a member of this union you deserve someone that will represent you on the EC.

Our sector and union needs real change now rather than the empty promises of the past. Please help me make the change by voting for me and all independent Unite Alliance candidates.

We stay the same or you can vote for CHANGE
