## **Tracey Coxhill**

Dear Colleague ,

Based at Heathrow Airport, I have been an active Unite representative since 2007. I was elected as women's officer for the combine (seven airports) and then vice chair and chair of the same. I have a wide experience of negotiating at a corporate level, representing members at Employment Tribunals and being involved in litigation for members. I am in my second term as Branch Secretary of the largest Branch at Heathrow, Vice Chair of Regional Industrial Sector Committee, a delegate for Regional Committee, , National Industrial Sector Committee and the European Transport Federation. In 2015 I gained a Certificate in Industrial Relations and Industrial Leadership. In my current positions I am involved on a daily basis with members' disciplinary and grievances.

I believe a strong and united union can improve working conditions and protect rights for all its members by protecting our national bargaining structures and that we need to develop a national and regional strategy to deliver a sustainable future for our Industry through the creation of local jobs & community involvement. I believe in giving time and commitment to members and most of all to listen. Union members are facing some serious challenges with employers eradicating our terms and conditions and assisting in a race to the bottom. This must be stopped and we can only achieve this collectively.

I have a particular interest in Employment Law and Mental Health which is prevalent in our workplaces today in regard to stress.

A vote for me is a vote for integrity, strength, fairness, reasonability and accountability. It would be a privilege to sit on EC to help determine members' priorities and actions. I shall continue to represent our membership in a reliable, positive way and will fight for an ethically run, strong and democratic union.
